

Legacy Corps is a community-based caregiver support program by and for veterans and their family members.

Serving veterans and their families

This AmeriCorps program utilizes highly trained volunteers to provide a range of caregiver support services including:

- In-home respite care
- Information and referrals
- Transportation
- Other related services

As a Legacy Corps Volunteer, you not only give much needed relief to caregivers, but serve those who have served our country.

Legacy Corps at Northwest Compass is entertaining applications for 20 available positions, serving Cook and DuPage counties. The member cycle runs from Nov. 1-Oct 31 each year.
